Subject;- Regarding the purchase of a Typewriter for the use of the Municipal Office at Clospet Recommends the-

In forwarding herewith the connected papers received from the President Clospet Municipality on the above subject, I have the honour to state that the Municipal Council at their meeting held on 30-11-45 have resolved that a type writer may be purchased for the use of the Municipal Office.

The President in forwarding the extract of the resolution of the Municipal Council has reported that a typewriting Machine at a cost of Rs 350/- would be purchased through the stores purchase Committee, as the need for the machine has been keenly felt in the office.

During the course of inspections of the Municipal Office it was found that this being a 2nd Class Municipality, the xxxxxxxxxx correspondence work has been increased considerably necessitating the purchase of type writer for the office.

Since the Municipality has made necessary provision in the current year's Budget for the purchase of a typewriter and can afford to meet this item of expenditure, I request that sanction of Government may kindly be obtained for the purchase of the Machine as desired by the Council.

I have the honour to be
Sir,
